Where a registrant is found to have breached this policy rule, auDA reserves the right to cancel the domain name licence and delete the domain name.

All domain name licences are issued subject to .au Domain Administration Ltd's mandatory terms and conditions and published policies applicable from time to time, available at www.auda.org.au. Non-compliance with such terms and conditions or published policies may lead to the cancellation of a domain name license.

*Enter the legal entity registering the domain. You may not use the following legal entities: a registered business name, trademark, trust or partnership. Instead use the applicable individual that is the owner of the registered business name or trademark, the trustee of the trust or an individual partner of the partnership.

**Select the reasons the registrant is eligible for the domain name. If the registrant is using their company name to register the domain, then their Eligibility Type is Company. But if, for example, the registrant is using their Registered Business Name to register the domain, then their Eligibility Type is Registered Business, even if they are also a company.

Any existing registration time for the domain name is cancelled and the new two (2) year registration period starts when the eligibility information is updated to the new registrant. There are no refunds for the cancelled registration time of the old registrant.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Godaddy.com, LLC (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
